

SELECTMEN MEETING MINUTES

TUESDAY, FEBRUARY 18, 2014

SELECTMEN: NANCY COLSON, LINDA POST

PRESENT: PAM HARDING, RON HARDING, DEANA CARAFELLI

4:00 PM Pam Harding and her son Ron Harding of 26 Ingraham Drive (Map 016-072) voiced their complaint of how long it has taken them to get a grant for help with the sewer hook up and that they have had to pay a betterment charge to the sewer company all the years without being hooked up. They feel like they have been given the run around and are planning on hiring a lawyer. The Selectmen gave them 20 minutes to talk and it was starting to get argumentative so the Selectmen ended the conversation and they gave them a copy of the sewer ordinance, Maine Statutes, a list of everyone that is hooked up to the sewer. The Harding's were under the impression that the sewer line had been extended this fall when the water company was working on the road and it had not.

Deana Carafelli - Wanted to know about subdivision rules, road access rules, etc, in regards to a piece of property they would like to make an offer on. The Selectmen advised her to talk to Scott Bickford, the Code Enforcement Officer.
